

A WORLD OF CANDY AND CHOCOLATE

A WORLD OF CANDY AND CHOCOLATE

– since 1918

The Carletti Group

The Carletti Group is owned 100% by the Danish Givisco Group. Carletti develops and produces a wide variety of chocolate and confectionery products which are marketed and sold to consumers throughout Europe and to selected export markets across the world.

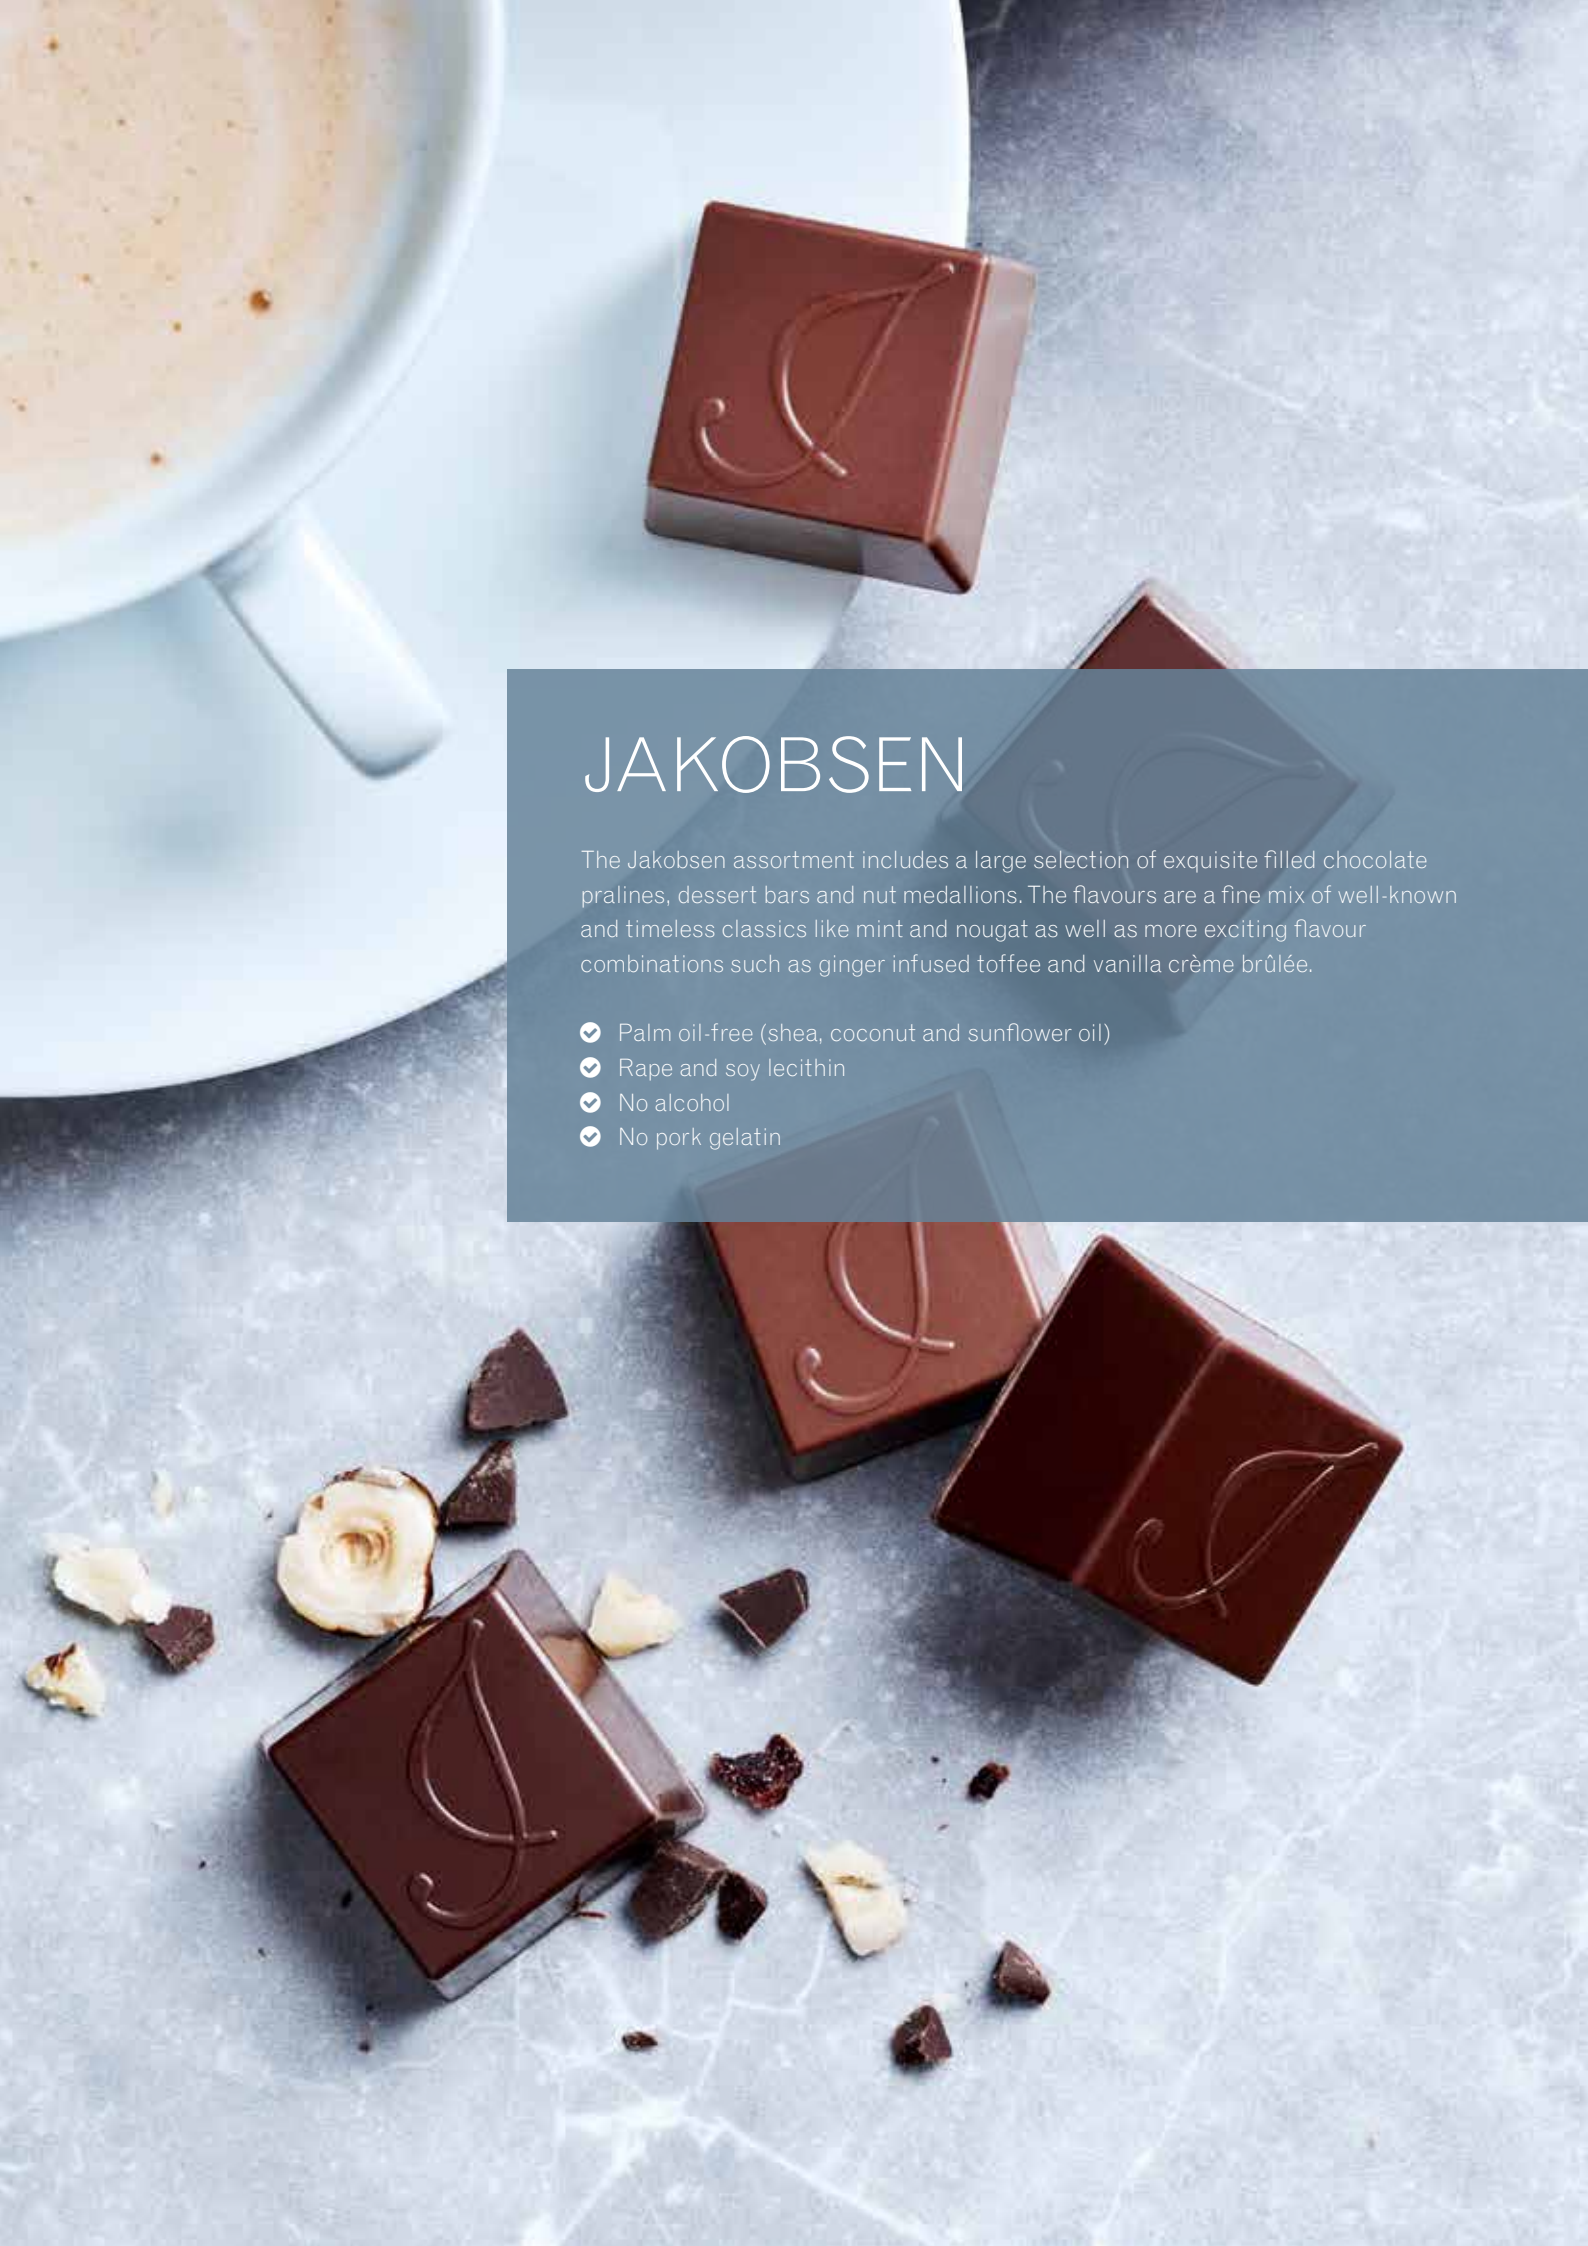

Carletti has a strong heritage within the confectionary industry and we always strive to improve the quality and applicability of our products. At Carletti tradition and innovation work hand in hand and we supply high quality products for the retail business like marshmallow, candy bags and chocolate gift boxes.

Carletti's experienced development team is happy to work with you to create customized formulations for all types of products and applications to meet your particular needs.

Licences for the production of food items

At Carletti we have obtained both BRC (British Retail Consortium) and IFS (International Food Standard) certifications. These two very highly respected standards define the standardization of quality, safety and operational criteria and ensure that manufacturers fulfil their legal obligations and provide protection for the end consumer.

JAKOBSEN

The Jakobsen assortment includes a large selection of exquisite filled chocolate pralines, dessert bars and nut medallions. The flavours are a fine mix of well-known and timeless classics like mint and nougat as well as more exciting flavour combinations such as ginger infused toffee and vanilla crème brûlée.
