

Carletti

A WORLD OF CANDY AND CHOCOLATE

A WORLD OF CANDY AND CHOCOLATE

– since 1918

The Carletti Group

The Carletti Group is owned 100% by the Danish Givisco Group. Carletti develops and produces a wide variety of chocolate and confectionery products which are marketed and sold to consumers throughout Europe and to selected export markets across the world.

Carletti has a strong heritage within the confectionery industry and we always strive to improve the quality and applicability of our products. At Carletti tradition and innovation work hand in hand and we supply high quality products for the retail business like marshmallow, candy bags and chocolate gift boxes.

Carletti's experienced development team is happy to work with you to create customized formulations for all types of products and applications to meet your particular needs.

Licence for the production of food items

At Carletti we have obtained IFS (International Food Standard) certification. This very highly respected standard defines the standardization of quality, safety and operational criteria and ensures that manufacturers fulfil their legal obligations and provide protection for the end consumer.

JAKOBSEN

The Jakobsen assortment includes a large selection of exquisite dark, milk and white chocolate with both classic and inspiring new fillings and various decorations.

MARSHMALLOW, FRENCH NOUGAT AND FILLED CHOCOLATES

The P-Clusters and the Choco Bananas are candy icons in this segment, and the products originate back from 1953. The marshmallow products are covered with milk or dark chocolate. The filled chocolates from either milk or dark chocolates have classic fillings like caramel and mint.
